

# NeuroEng 2019

12th Australasian Workshop on  
Computational Neuroscience and Neural Engineering

neuroeng.org.au

Bringing together computational neuroscientists and researchers at the interface between neuroscience and engineering

The University of Adelaide  
29-30 November, 2019

NeuroEng 2019 is a satellite of ANS 2019 to be held at the Adelaide Convention Centre

- Theoretical, Mathematical & Computational Neuroscience
- Neuroprosthetics & Brain Machine Interfaces
- Neural Modelling & Engineering
- Neuromorphic Engineering
- EEG Analysis
- Neural Information Processing
- Neuroinformatics
- Cognitive Modelling
- Neuroimaging & Connectomics
- Brain Dynamics & Neurophysics

Abstract submissions: 20<sup>th</sup> September
