

The ANS Developmental Neuroscience Symposium I

Thursday, Sep 24, 2020, 09:00 AM Brisbane (9AM-11AM AEST)

<https://uqz.zoom.us/j/96272081420>

Flavio Zolessi

Marija Kojic

Sean Cookley

Lisa Foa

Flavio Zolessi (UdR, Uruguay) - Between epithelial cells and neurons: polarity and cell differentiation in the retina

Marija Kojic (UQ/IMB) - Elongator complex in neurological diseases: lost in translation?

Sean Cookley (UQ/QBI) - Protecting neurons from mechanical strain.

Lisa Foa (UTAS) - Serotonin in the developing brain: a neurotransmitter that guides growing axons?

ANS Developmental Neuroscience Forum (ADNF)

Julian Heng (WA)

Nathalie Dehorter (ACT)

Michael Piper (QLD)

Kelly Glendining (NZ)
