

## **Anatomy Tour Permission Form**

I \_\_\_\_\_ (*Name of Parent/Guardian*) consent to allow  
\_\_\_\_\_ (*Name of Student*) to visit the School of Anatomy  
and Human Biology during activities at the Australian Brain Bee Challenge.

I understand that the anatomy tour will include a display from the anatomy museum where students will be shown human anatomical specimens. The students will be exposed to bottled human specimens including head specimens.

Students who have relatives that have donated their body through the Bequest Program must let their School know prior to the visit.

On arrival, a member of our staff will address the students. This introduction will include:

- (a) an explanation of our Bequest Program
- (b) the privilege of using the facility
- (c) the code of behaviour
- (d) the importance of showing respect for the donors and the material on view.

Any student not behaving appropriately will be asked to leave.

No photographs are permitted. No cameras are permitted in the facility.

No mobile phones are permitted in the facility.

Bottled specimens are not permitted to be touched or moved.

Students who are given permission to draw must position themselves on stools.

No food or drink is allowed in the room (but kept in their bags)

Signed (parent or guardian): \_\_\_\_\_

Dated: \_\_\_\_\_
